

SHELTER-IN-PLACE

- SHELTER IN PLACE orders are issued by local government officials during or immediately after an emergency, like a chemical spill, or natural disaster.
- If an emergency requires a shelter in place, local municipalities will issue an advisory with further instructions through local media, phone systems, and directly to MyCNN subscribers

If a shelter in place is ordered:

BRING your family & pets inside

TURN OFF fans, air condition, and forced air heating systems

WATCH local TV and **LISTEN** to local radio
(1070 CHOK, 99.9 The Fox FM, Cool 106.3 FM)
& **CHECK** local media and government sites often for news and instructions as they become available

LOCK doors, close windows, air vents, & fireplace dampers

SEAL all windows, doors, and air vents with thick plastic sheeting and duct tape

BE PREPARED for any emergency

- Have a 72hr Emergency Supply Kit stocked
- Sign up for Municipal and Industry Notifications on MyCNN
- Visit lambtonbases.ca for more info
